Call to Order:

The meeting of the Orange Township Supervisors was called to order at 7:30 pm by Calvin Fox, attending were, Supervisor Gene “Dan” Fetterman, Secretary/Treasurer Erika Burkhart, Orangeville Area Police Chief Daniel Patel, Flint and Sharon Kressler, Courtney and Stephanie Williams, John Thackray.

Minutes: The minutes of August 8, 2019 meeting were presented and approved.

Recognition of Guests: Flint Kressler inquired about what can and cannot be recycled and asked if it could be posted on the recycling area. Erika Burkhart addressed his concerns and told him there was a sign on order with pictures of what can be recycled. Sharon Kressler said that Hartman Hollow is a rough road. Calvin Fox explained the road workers put cold patch on the road in the holes and the state would be coming to replace the pipes on the road. Courtney and Stephanie Williams expressed their concerns regarding the fact the roads were just tarred and chipped and the state was coming in and cutting them to replace pipes and this will mess the roads up. Calvin Fox assured them the roads would be fixed correctly after the pipes replaced and there were some scheduling issues that kept them from coming before the tar and chipping. Mr. Williams stated he thought it was a “waste of taxpayer money” to do this. Mr. Williams also requested if the township cut trees that fell, they put the cut pieces on the same side of the road as the roots of the tree so as to be certain it is put on the property to which it belongs.
